SPONSORSHIP INVITATION

The International Epilepsy Surgery Society (IESS) invites you to reserve your sponsorship and exhibit space for its 3rd International Congress, to be held in the vibrant and welcoming city of Toronto, Ontario, in 2027.

The Congress is expected to attract 300 neurosurgeons, neurosurgeons-in-training, and allied health professionals from around the world, providing a unique forum for scientific exchange, professional development, and international collaboration in epilepsy surgery.

Toronto is home to a globally recognized pediatric epilepsy surgery program, anchored by SickKids and the University of Toronto. The organizing team is deeply committed to advancing the mission of IESS and fostering meaningful collaboration across pediatric and adult epilepsy surgery. This strong academic foundation and international leadership create a distinctive and enhanced value proposition for our industry partners and sponsors.
